

## Mailplus' Mail Pick-up and Lodgement

Mailplus is a market leader in mail pick-up and delivery from customers PO or DX boxes. Our reliable owner operators pick-up your morning mail and deliver it at times convenient to you. In the afternoon outgoing mail is efficiently dispatched by your mailplus operator for lodgement with Australia Post or DX Mail.

What are the benefits of this service?

- **Reliability.** Mail always delivered on time.
- **Cost efficiency.** Low cost alternative to the use of valuable staff or high cost couriers.
- **Increased productivity.** Staff can concentrate on their jobs rather than running errands.
- **Friendliness and service.** Your Mail Plus operator will become one of your team.
- **Security.** Your Mail Plus operator owns his own business. The value of his business and his income depends on his reliability, efficiency & integrity.

Services start from as little as \$5.50\* (Inc GST) per day. In a competitive world, this represents true value for money and compares most favorably with any alternative.

So why not contact Mailplus and find out what Australia's leading corporations already know, that saving money and making money are the same thing.
